

Song 1
"Born To Die"

What?
Who me?
What?

Feet don't fail me now
Take me to the finish line
Oh my heart it breaks every step that I take
But I'm hoping at the gates,
They'll tell me that you're mine

Walking through the city streets
Is it by mistake or design
I feel so alone on the Friday nights
Can you make it feel like home, if I tell you you're mine
It's like I told you honey

Don't make me sad, don't make me cry
Sometimes love is not enough and the road gets tough
I don't know why
Keep making me laugh
Let's go get high
The road is long, we carry on
Try to have fun in the meantime

Come on take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane
Choose your last words, this is the last time
Cause you and I, we were born to die

Lost but now I am found
I can see but once I was blind
I was so confused as a little child
Trying to take what I could get
Scared that I couldn't find
All the answers honey

Don't make me sad, don't make me cry
Sometimes love is not enough and the road gets tough
I don't know why
Keep making me laugh
Let's go get high
The road is long, we carry on
Try to have fun in the meantime

Come on take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane
Choose your last words,
This is the last time

Cause you and I
We were born to die [x3]

Come on and take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane

Don't make me sad, don't make me cry
Sometimes love is not enough and the road gets tough
I don't know why
Keep making me laugh
Let's go get high
The road is long, we carry on
Try to have fun in the meantime

Come on take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane...
Choose your last words,
This is the last time
Cause you and I
We were born to die

Song 2 "Off To The Races"

My old man is a bad man but
I can't deny the way he holds my hand
And he grabs me, he has me by my heart
He doesn't mind I have a Las Vegas past
He doesn't mind I have an LA crass way about me
He loves me with every beat of his cocaine heart

Swimming pool glimmering darling
White bikini off with my red nail polish
Watch me in the swimming pool bright blue ripples you
Sitting sipping on your black Cristal
Oh yeah

Light of my life, fire of my loins
Be a good baby, do what I want
Light of my life, fire of my loins
Give me them gold coins, gimme them coins

And I'm off to the races, cases of Bacardi chasers
Chasing me all over town
Cause he knows I'm wasted, facing
Time again at Riker's Island and I won't get out
Because I'm crazy, baby I need you to come here and save me
I'm your little scarlet, starlet singing in the garden
Kiss me on my open mouth
Ready for you

My old man is a tough man but
He's got a soul as sweet as blood red jam
And he shows me, he knows me
Every inch of my tar black soul
He doesn't mind I have a flat broke down life
In fact he says he thinks it's why he might like about me
Admires me, the way I roll like a Rolling Stone

Likes to watch me in the glass room bathroom, Chateau Marmont
Slippin' on my red dress, puttin' on my makeup
Glass film, perfume, cognac, lilac
Fumes, says it feels like heaven to him

Light of his life, fire of his loins
Keep me forever, tell me you own me
Light of your life, fire of your loins
Tell me you own me, gimme them coins

And I'm off to the races, cases of Bacardi chasers
Chasing me all over town
Cause he knows I'm wasted, facing
Time again at Riker's Island and I won't get out
Because I'm crazy, baby I need you to come here and save me
I'm your little scarlet, starlet singing in the garden

Kiss me on my open mouth

Now I'm off to the races, laces
Leather on my waist is tight and I am fallin' down
I can see your face is shameless, Cipriani's basement
Love you but I'm going down
God I'm so crazy, baby, I'm sorry that I'm misbehaving
I'm your little harlot, starlet, Queen of Coney Island
Raising hell all over town
Sorry 'bout it

My old man is a thief and I'm gonna stay and pray with him 'til the end
But I trust in the decision of the Lord to watch over us
Take him when he may, if he may
I'm not afraid to say that I'd die without him
Who else is gonna put up with me this way?
I need you, I breathe you, I never leave you
They would rue the day I was alone without you
You're lying with your gold chain on, cigar hanging from your lips
I said "Hon' you never looked so beautiful as you do now, my man."

And we're off to the races, places
Ready, set the gate is down and now we're goin' in
To Las Vegas chaos, Casino Oasis, honey it is time to spin
Boy you're so crazy, baby, I love you forever not maybe
You are my one true love, you are my one true love

You are my one true love

Song 3 "Blue Jeans"

Blue jeans, white shirt
Walked into the room you know you made my eyes burn
It was like, James Dean, for sure
You're so fresh to death and sick as ca-cancer
You were sorta punk rock, I grew up on hip hop
But you fit me better than my favourite sweater, and I know
That love is mean, and love hurts
But I still remember that day we met in december, oh baby!

I will love you 'til the end of time
I would wait a million years
Promise you'll remember that you're mine
Baby can you see through the tears
Love you more
Than those bitches before
Say you'll remember, oh baby, say you'll remember
I will love you 'til the end of time

Big dreams, gangster
Said you had to leave to start your life over
I was like, "No please, stay here,
We don't need no money we can make it all work,"
But he headed out on sunday, said he'd come home monday
I stayed up waitin', anticipatin', and pacin'
But he was chasing paper
"Caught up in the game" – that was the last I heard

I will love you 'til the end of time
I would wait a million years
Promise you'll remember that you're mine
Baby can you see through the tears
Love you more
Than those bitches before
Say you'll remember, oh baby, say you'll remember
I will love you 'til the end of time

You went out every night
And baby that's alright
I told you that no matter what you did I'd be by your side
Cause Imma ride or die
Whether you fail or fly
Well shit at least you tried.
But when you walked out that door, a piece of me died
I told you I wanted more-but that's not what I had in mind
I just want it like before
We were dancing all night
Then they took you away-stole you out of my life
You just need to remember....

I will love you 'til the end of time
I would wait a million years

Promise you'll remember that you're mine
Baby can you see through the tears
Love you more
Than those bitches before
Say you'll remember, oh baby, say you'll remember
I will love you 'til the end of time

Song 4 "Video Games"

Swinging in the backyard
Pull up in your fast car
Whistling my name

Open up a beer
And you say, "Get over here
And play a video game."

I'm in his favorite sun dress
Watching me get undressed
Take that body downtown

I say, "You the bestest."
Lean in for a big kiss
Put his favorite perfume on

Go play a video game

It's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby, now you do

Singing in the old bars
Swinging with the old stars
Living for the fame

Kissing in the blue dark
Playing pool and wild darts
Video games

He holds me in his big arms
Drunk and I am seeing stars
This is all I think of

Watching all our friends fall
In and out of Old Paul's
This is my idea of fun
Playing video games

It's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you

Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby, now you do

Now you do
Now you do
Now you do

Now you do
Now you do
Now you do

It's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you want to do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby, now you do

Now you do
Now you do
Now you do
(Now you do)
Now you do
Now you do
Now you do

Song 5 "Diet Mountain Dew"

You're no good for me
Baby you're no good for me
You're no good for me
But baby I want you, I want

Diet mountain dew, baby, New York City
Never was there ever a girl so pretty
Do you think we'll be in love forever?
Do you think we'll be in love?

Diet mountain dew, baby, New York City
Can we get it now low, down and gritty
Do you think we'll be in love forever?
Do you think we'll be in love?

Baby put on heart shaped sunglasses
Cause we gonna take a ride
I'm not gonna listen to what the past says
I've been waiting up all night

Take another drag turn me to ashes
Ready for another lie?
Says he's gonna teach me just what fast is
Say it's gonna be alright

Diet mountain dew, baby, New York City
Never was there ever a girl so pretty
Do you think we'll be in love forever?
Do you think we'll be in love?

Diet mountain dew, baby, New York City
Can we get it now low, down and gritty
Do you think we'll be in love forever?
Do you think we'll be in love?

Let's take Jesus off the dashboard
Got enough on his mind
We both know just what we're here for
Saved too many times

Maybe I like this roller coaster
Maybe it keeps me high
Maybe the speed it brings me closer
I could sparkle up your eye

Diet mountain dew, baby, New York City
Never was there ever a girl so pretty
Do you think we'll be in love forever?
Do you think we'll be in love?

Diet mountain dew, baby, New York City

Can we get it now low, down and gritty
Do you think we'll be in love forever?
Do you think we'll be in love?

You're no good for me
Baby you're no good for me
You're no good for me
But baby I want you, I want you

You're no good for me
Baby you're no good for me
You're no good for me
But baby I want you, I want you, I want you

Diet mountain dew, baby, New York City
Never was there ever a girl so pretty
Do you think we'll be in love forever?
Do you think we'll be in love?

Baby stoppin' at seven eleven
There in his white Pontiac heaven
Do you think we'll be in love forever?
Do you think we'll be in love?

Diet mountain dew, baby, New York City
Never was there ever a girl so pretty
Do you think we'll be in love forever?
Do you think we'll be in love?

Diet mountain dew, baby, New York City
Can we get it now low, down and gritty
Do you think we'll be in love forever?
Do you think we'll be in love?

You're no good for me
Baby you're no good for me
You're no good for me
But baby I want you, I want

You're no good for me
Baby you're no good for me
You're no good for me
But baby I want you, I want

You're no good for me
Baby you're no good for me
You're no good for me
But baby I want you, I want

Song 6 "National Anthem"

Money is the anthem
Of success
So before we go out
What's your address?

I'm your National Anthem
God, you're so handsome
Take me to the Hamptons
Bugatti Veyron

He loves to romance them
Reckless abandon
Holdin' me for ransom
Upper echelon

He says to "be cool" but
I don't know how yet
Wind in my hair
Hand on the back of my neck
I said, "Can we party later on?"
He said, "Yes, yes, yes"

Tell me I'm your National Anthem
Ooh, yeah, baby, bow down
Making me so wow, wow
Tell me I'm your National Anthem
Sugar, sugar, how now
Take your body down town
Red, white, blue's in the sky
Summer's in the air and
Baby, heaven's in your eyes
I'm your National Anthem

Money is the reason
We exist
Everybody knows it, it's a fact
Kiss, kiss

I sing the National Anthem
While I'm standing over your body
Hold you like a python
And you can't keep your hands off me
Or your pants on
See what you've done to me
King of Chevron

He said to "be cool" but
I'm already coolest
I said to, "Get real,"
"Don't you know who you're dealing with?"
Um, do you think you'll buy me lots of diamonds?"

Tell me I'm your National Anthem
Ooh, yeah, baby, bow down
Making me so wow, wow
Tell me I'm your National Anthem
Sugar, sugar, how now
Take your body down town
Red, white, blue's in the sky
Summer's in the air and
Baby, heaven's in your eyes
I'm your National Anthem

It's a love story for the new age
For the six page
Want a quick sick rampage?
Wining and dining
Drinking and driving
Excessive buying
Overdose and dyin'
On our drugs and our love
And our dreams and our rage
Blurring the lines between real and the fake
Dark and lonely
I need somebody to hold me
He will do very well
I can tell, I can tell
Keep me safe in his bell tower, hotel

Money is the anthem of success
So put on mascara, and your party dress

I'm your National Anthem
Boy, put your hands up
Give me a standing ovation
Boy, you have landed
Babe, in the land of
Sweetness and Danger
Queen of Saigon

Tell me I'm your National Anthem
Ooh, yeah, baby, bow down
Making me so wow, wow
Tell me I'm your National Anthem
Sugar, sugar, how now
Take your body down town
Red, white, blue's in the sky
Summer's in the air and
Baby, heaven's in your eyes
I'm your National Anthem

Money is the anthem
God, you're so handsome
Money is the anthem

Of success

Money is the anthem
God, you're so handsome
Money is the anthem
Of success

Money is the anthem
God, you're so handsome
Money is the anthem
Of success

Money is the anthem
God, you're so handsome
Money is the anthem
Of success

Song 7 "Dark Paradise"

All my friends tell me I should move on
I'm lying in the ocean, singing your song
Ahhh, that's how you sang it
Loving you forever, can't be wrong
Even though you're not here, won't move on
Ahhh, that's how we played it

And there's no remedy for memory your face is
Like a melody, it won't leave my head
Your soul is haunting me and telling me
That everything is fine
But I wish I was dead

Every time I close my eyes
It's like a dark paradise
No one compares to you
I'm scared that you won't be waiting on the other side
Every time I close my eyes
It's like a dark paradise
No one compares to you
I'm scared that you won't be waiting on the other side

All my friends ask me why I stay strong
Tell 'em when you find true love it lives on
Ahhh, that's why I stay here

And there's no remedy for memory your face is
Like a melody, it won't leave my head
Your soul is haunting me and telling me
That everything is fine
But I wish I was dead

Every time I close my eyes
It's like a dark paradise
No one compares to you
I'm scared that you won't be waiting on the other side
Every time I close my eyes
It's like a dark paradise
No one compares to you

But there's no you, except in my dreams tonight,
Oh oh oh, ha ha ha
I don't wanna wake up from this tonight
Oh oh oh oh, ha ha ha ha
I don't wanna wake up from this tonight

There's no relief, I see you in my sleep
And everybody's rushing me, but I can feel you touching me
There's no release, I feel you in my dreams
Telling me I'm fine

Every time I close my eyes
It's like a dark paradise
No one compares to you
I'm scared that you won't be waiting on the other side
Every time I close my eyes
It's like a dark paradise
No one compares to you

But there's no you, except in my dreams tonight,
Oh oh oh oh, ha ha ha ha
I don't wanna wake up from this tonight
Oh oh oh oh, ha ha ha ha
I don't wanna wake up from this tonight

Song 8 "Radio"

Not even they can stop me now
Boy, I'll be flying overhead
Their heavy words can't bring me down
Boy I've been raised from the dead

No one even knows how hard life was
I don't even think about it now because
I've finally found you
Oh, sing it to me

Now my life is sweet like cinnamon
Like a fucking dream I'm living in
Baby love me cause I'm playing on the radio
(How do you like me now?)

Pick me up and take me like a vitamin
'Cause my body's sweet like sugar venom oh yeah
Baby love me cause I'm playing on the radio
(How do you like me now?)

American dreams came true somehow
I swore I'd chase until I was dead
I heard the streets were paved with gold
That's what my father said

No one even knows what life was like
Now I'm in LA and it's paradise
I've finally found you
Oh, sing it to me

Now my life is sweet like cinnamon
Like a fucking dream I'm living in
Baby love me cause I'm playing on the radio
(How do you like me now?)

Pick me up and take me like a vitamin
'Cause my body's sweet like sugar venom oh yeah
Baby love me 'cause I'm playing on the radio
(How do you like me now?)

Now my life is sweet like cinnamon
Like a fucking dream I'm living in
Baby love me 'cause I'm playing on the radio
(How do you like me now?)

Now my life is sweet like cinnamon
Like a fucking dream I'm living in
I've finally found you
Oh, sing it to me

Now my life is sweet like cinnamon

Like a fucking dream I'm living in
Baby love me 'cause I'm playing on the radio
(How do you like me now?)

Pick me up and take me like a vitamin
'Cause my body's sweet like sugar venom oh yeah
Baby love me 'cause I'm playing on the radio
(How do you like me now?)

Now my life is sweet like cinnamon
Like a fucking dream I'm living in
Baby love me 'cause I'm playing on the radio
(How do you like me now?)

Pick me up and take me like a vitamin
'Cause my body's sweet like sugar venom oh yeah
Baby love me 'cause I'm playing on the radio
(How do you like me now?)

Song 9 "Carmen"

Darling, darling, doesn't have a problem
Lying to herself 'cause her liqueur's top shelf
It's alarming honestly how charming she can be
Fooling everyone, telling them she's having fun

She says you don't want to be like me
Don't wanna see all the things I've seen
I'm dying, I'm dying
She says you don't want to get this way
Famous and dumb at an early age
Lying, I'm lying

The boys, the girls, they all like carmen
She gives them butterflies, bats her cartoon eyes
She laughs like god, her mind's like a diamond
Buy her tonight, she's still shining
Like lightning, ohh, like lightning

Carmen, carmen, staying up til morning
Only seventeen, but she walks the streets so mean
It's alarming truly how disarming you can be
Eating soft ice cream
Coney Island Queen

She says you don't want to be like me
Looking for fun, getting high for free
I'm dying, I'm dying
She says you don't want to get this way
Street walk at night, and a star by day
It's tiring, tiring

The boys, the girls, they all like carmen
She gives them butterflies, bats her cartoon eyes
She laughs like god, her mind's like a diamond
Buy her tonight, she's still shining
Like lightning, ohh, like lightning

Baby's all dressed up with nowhere to go
That's the little story of the girl you know
Relying on the kindness of strangers
Tying cherry knots, smiling, doing party favors
Put your red dress on, put your lipstick on
Sing your song, song, now the camera's on
And you're alive again

Mon amour, je sais que tu m'aimes aussi
Tu as besoin de moi
Tu as besoin de moi dans ta vie
Tu ne peux plus vivre sans moi
Et je mourrais sans toi
Je tuerais pour toi

The boys, the girls, they all like carmen
She gives them butterflies, bats her cartoon eyes
She laughs like god, her mind's like a diamond
Buy her tonight, she's still shining
Like lightning, ohh, like lightning

Like lightning, ohh, like lightning

Darling, darling, doesn't have a problem
Lying to herself 'cause her liqueur's top shelf

Song 10 "Million Dollar Man"

You said I was the most exotic flower
Holding me tight in our final hour

I don't know how you convince them and get them, but
I don't know what you do, it's unbelievable
And I don't know how you get over, get over
Someone as dangerous, tainted and flawed as you

One for the money, and two for the show
I love you honey, I'm ready, I'm ready to go
How did you get that way? I don't know
You're screwed up and brilliant,
Look like a million dollar man,
So why is my heart broke?

You got the world but baby at what price?
Something so strange, hard to define

It isn't that hard boy to like you or love you
I'd follow you down down down,
You're unbelievable
If you're going crazy just grab me and take me
I'd follow you down down down, anywhere anywhere

One for the money, two for the show
I love you honey, I'm ready, I'm ready to go
How did you get that way? I don't know
You're screwed up and brilliant,
Look like a million dollar man,
So why is my heart broke?

One for the money, two for the show
I love you honey, I'm ready, I'm ready to go
How did you get that way? I don't know
You're screwed up and brilliant,
Look like a million dollar man,
So why is my heart broke?

I don't know,
You're screwed up and brilliant,
Look like a million dollar man,
So why is my heart broke?

Song 11 "Summertime Sadness"

Kiss me hard before you go
Summertime sadness
I just wanted you to know
That, baby, you're the best

I got my red dress on tonight
Dancing in the dark in the pale moonlight
Done my hair up real big beauty queen style
High heels off, I'm feeling alive

Oh, my God, I feel it in the air
Telephone wires above are sizzling like a snare
Honey, I'm on fire, I feel it everywhere
Nothing scares me anymore

(1, 2, 3, 4)

Kiss me hard before you go
Summertime sadness
I just wanted you to know
That, baby, you're the best

I've got that summertime, summertime sadness
S-s-summertime, summertime sadness
Got that summertime, summertime sadness
Oh, oh, oh

I'm feelin' electric tonight
Cruising down the coast goin' 'bout 99
Got my bad baby by my heavenly side
I know if I go, I'll die happy tonight

Oh, my God, I feel it in the air
Telephone wires above are sizzling like a snare
Honey, I'm on fire, I feel it everywhere
Nothing scares me anymore

(1, 2, 3, 4)

Kiss me hard before you go
Summertime sadness
I just wanted you to know
That, baby, you're the best

I've got that summertime, summertime sadness
S-s-summertime, summertime sadness
Got that summertime, summertime sadness
Oh, oh, oh

I think I'll miss you forever
Like the stars miss the sun in the morning sky

Later's better than never
Even if you're gone I'm gonna drive (drive, drive)

I've got that summertime, summertime sadness
S-s-summertime, summertime sadness
Got that summertime, summertime sadness
Oh, oh, oh

Kiss me hard before you go
Summertime sadness
I just wanted you to know
That, baby, you're the best

I've got that summertime, summertime sadness
S-s-summertime, summertime sadness
Got that summertime, summertime sadness
Oh, oh, oh

Song 12 "This Is What Makes Us Girls"

Remember how we used to party up all night
Sneaking out and looking for a taste of real life
Drinking in the small town firelight
(Pabst Blue Ribbon on ice)

Sweet sixteen and we had arrived
Walking down the streets as they whistle, "Hi, hi!"
Stealin' police cars with the senior guys
Teachers said we'd never make it out alive

There she was my new best friend
High heels in her hands, swayin' in the wind
While she starts to cry, mascara runnin' down her little Bambi eyes:
"Lana, how I hate those guys."

This is what makes us girls
We all look for heaven and we put our love first
Somethin' that we'd die for, it's our curse
Don't cry about it, don't cry about it
This is what makes us girls
We don't stick together 'cause we put our love first
Don't cry about him, don't cry about him
It's all gonna happen

And that's where the beginning of the end begun
Everybody knew that we had too much fun
We were skippin' school and drinkin' on the job
(With the boss)

Sweet sixteen and we had arrived
Baby's table dancin' at the local dive
Cheerin our names in the pink spotlight
Drinkin' cherry schnapps in the velvet night

Yo we used to go break in
To the hotel, glimmer and we'd swim
Runnin' from the cops in our black bikini tops
Screaming, "Get us while we're hot. Get us while we're hot."
(Come on take a shot)

This is what makes us girls
We all look for heaven and we put our love first
Somethin' that we'd die for, it's our curse
Don't cry about it, don't cry about it
This is what makes us girls
We don't stick together 'cause we put our love first
Don't cry about him, don't cry about him
It's all gonna happen

The prettiest in crowd that you had ever seen
Ribbons in our hair and our eyes gleamed mean

A freshmen generation of degenerate beauty queens
And you know something?

They were the only friends I ever had
We got into trouble and when stuff got bad
I got sent away, I was waving on the train platform
Crying 'cause I know I'm never comin' back.

This is what makes us girls
We all look for heaven and we put our love first
Somethin' that we'd die for, it's our curse
Don't cry about it, don't cry about it
This is what makes us girls
We don't stick together 'cause we put our love first
Don't cry about him, don't cry about him
It's all gonna happen

This is what makes us girls
We all look for heaven and we put our love first
Somethin' that we'd die for, it's our curse
Don't cry about it, don't cry about it
This is what makes us girls
We don't stick together 'cause we put our love first
Don't cry about him, don't cry about him
It's all gonna happen

Song 13 "Without You"

Everything I want I have:
Money, notoriety and rivas.
I even think I found God
In the flash bulbs of the pretty cameras,
Pretty cameras, pretty cameras.
Am I glamorous? Tell me am I glamorous?

Hello? Hello?
C-can you hear me?
I can be your china doll
If you want to see me fall.
Boy, you're so dope,
Your love is deadly.
Tell me life is beautiful,
They all think I have it all.
I've nothing without you.
All my dreams and all the lights mean
Nothing without you.

Summertime is nice and hot,
And my life is sweet like vanilla is.
Gold and silver line my heart
But burned into my brain are these stolen images,
Stolen images, baby, stolen images.
Can you picture it,
Babe, the life we could've lived?

Hello? Hello?
C-can you hear me?
I can be your china doll
If you like to see me fall.
Boy, you're so dope,
Your love is deadly.
Tell me life is beautiful,
They all think I have it all.
I've nothing without you.
All my dreams and all the lights mean
Nothing without you.

We were two kids, just tryin' to get out,
Live on the dark side of the American dream.
We would dance all night, play our music loud,
When we grew up nothing was what it seemed.

Hello? Hello?
C-can you hear me?
I can be your china doll
If you like to see me fall.
Boy, you're so dope,
Your love is deadly.
Tell me life is beautiful,

They think that I have it all.
I've nothing without you.
All my dreams and all the lights mean
Nothing without you.

Hello? Hello?
C-can you hear me?
I can be your china doll
If you like to see me fall.
Boy, you're so dope,
Your love is deadly.
Tell me life is beautiful,
They think that I have it all.
I've nothing without you.
All my dreams and all the lights mean
Nothing without you.

All my dreams and all the lights mean
Nothing if I can't have you.

Song 14 "Lolita"

One, one

Would you be mine? Would you be my baby tonight?
Could be kissing my fruit punch lips in the bright sunshine
'Cause I like you quite a lot, everything you got, don't you know?
It's you that I adore, though I make the boys fall like dominoes

Kiss me in the d.a.r.k. dark tonight
D.a.r.k. do it my way
Kiss me in the p.a.r.k. park tonight
P.a.r.k. let them all say

Hey Lolita, hey
Hey Lolita, hey
I know what the boys want, I'm not gonna play
Hey Lolita, hey
Hey Lolita, hey
Whistle all you want but I'm not gonna stay

No more skipping rope skipping heart beats with the boys downtown
Just you and me feeling the heat even when the sun goes down

I could be yours, I could be your baby tonight
Topple you down from your sky forty stories high
Shining like a god, can't believe I got you inside
Look at what I bought, not a second thought, oh romeo

Kiss me in the d.a.r.k. dark tonight
D.a.r.k. do it my way
Kiss me in the p.a.r.k. park tonight
P.a.r.k. let them all say

Hey Lolita, hey
Hey Lolita, hey
I know what the boys want, I'm not gonna play
Hey Lolita, hey
Hey Lolita, hey
Whistle all you want but I'm not gonna stay

No more skipping rope skipping heart beats with the boys downtown
Just you and me feeling the heat even when the sun goes down

I want my cake and I want to eat it too
I want to have fun and be in love with you
I know that I'm a mess with my long hair and my sun tan, short dress, bare feet
I don't care what they say about me, what they say about me
Because I know that it's L.O.V.E.
You make me happy, you make me happy
And I never listen to anyone
Let them all say

Hey Lolita, hey
Hey Lolita, hey
I know what the boys want, I'm not gonna play
Hey Lolita, hey
Hey Lolita, hey
Whistle all you want but I'm not gonna stay

No more skipping rope skipping heart beats with the boys downtown
Just you and me feeling the heat even when the sun goes down

Song 15 "Lucky Ones"

Let's get out of this town, baby we're on fire
Everyone around here seems to be going down, down
If you stick with me, I can take you higher, and higher
It feels like all of our friends are lost
Nobody's found, found, found

I got so scared, I thought no one could save me
You came along scooped me up like a baby

Every now and then, the stars align
Boy and girl meet by the great design
Could it be that you and me are the lucky ones

Everybody told me love was blind
Then I saw your face and you blew my mind
Finally, you and me are the lucky ones this time

Boy get into my car, got a bad desire
You know that we'll never leave if we don't get out, now, now
You're a careless con, and you're the crazy liar
But baby, nobody can compare to the way you get down, down, down

I tried so hard to act nice like a lady
You taught me that it was good to be crazy

Every now and then, the stars align
Boy and girl meet by the great design
Could it be that you and me are the lucky ones

Everybody told me love was blind
Then I saw your face and you blew my mind
Finally, you and me are the lucky ones this time

Feels like, feels like, you know, it feels like
Falling in love for the first time
Feels like, you know, it feels like
Falling in love

Every now and then, the stars align
Boy and girl meet by the great design
Could it be that you and me are the lucky ones

Everybody told me love was blind
Then I saw your face and you blew my mind
Finally, you and me are the lucky ones this time

Song 16 "Ride"

I've been out on that open road
You can be my full time, daddy
White and gold
Singing blues has been getting old
You can be my full time, baby
Hot or cold

Don't break me down
I've been travelin' too long
I've been trying too hard
With one pretty song

I hear the birds on the summer breeze, I drive fast
I am alone in the night
Been tryin' hard not to get into trouble, but I
I've got a war in my mind
So, I just ride
Just ride, I just ride, I just ride

Dying young and I'm playing hard
That's the way my father made his life an art
Drink all day and we talk 'til dark
That's the way the road dogs do it, ride 'til dark.

Don't leave me now
Don't say good bye
Don't turn around
Leave me high and dry

I hear the birds on the summer breeze, I drive fast
I am alone in the night
Been tryin' hard not to get into trouble, but I
I've got a war in my mind
I just ride
Just ride, I just ride, I just ride

I'm tired of feeling like I'm fucking crazy
I'm tired of driving 'till I see stars in my eyes
I look up to hear myself saying,
Baby, too much I strive, I just ride

I hear the birds on the summer breeze, I drive fast
I am alone in the night
Been tryin' hard not to get into trouble, but I
I've got a war in my mind
I just ride
Just ride, I just ride, I just ride

Song 17 "Blue Velvet"

She wore Blue Velvet
Bluer than velvet was the night
Softer than satin was the light
From the stars

She wore blue velvet
Bluer than velvet were her eyes
Warmer than May her tender sighs
Love was ours

Ours a love I held tightly
Feeling the rapture grow
Like a flame burning brightly
But when she left gone was the glow of

She wore Blue Velvet
But in my heart there'll always be
Precious and warm a memory through the years
And I still can see Blue Velvet through my tears

[Instrumental]

She wore Blue Velvet
But in my heart there'll always be
Precious and warm a memory through the years
And I still can see Blue Velvet through my tears

She wore Blue Velvet
But in my heart there'll always be
Precious and warm a memory through the years
And I still can see Blue Velvet through my tears
